Before beginning assembly, please read these instructions thoroughly.

This tire gauge is designed to check the diameter of your tires comply with the MINI-Z Cup regulations.

Even if the tire diameter is checked with this tire gauge, it does not guarantee that they will pass the inspection according to the official Kyosho rules. Come to the race allowing some margin in the tire diameter. (Japan only)

►23mm: Racer, AWD (20mm diameter wheels)

►22.5mm: Racer, AWD (17mm diameter wheels)

►26mm: Formula Car

If the tire gauge can fit around the tire without touching, the tire diameter will be too small and will not pass the vehicle inspection.

Must be purchased separately!
